

**Nothing else is a Volkswagen.**

# Rabbit L Diesel—the Weltmeister.

It's No. 1; a world champion from the world's largest producer of compact automotive diesel engines. No. 1 in value—no other diesel car in Canada is priced lower than its gasoline counterpart. No. 1 in fuel economy—from 1978 to 1983 the Rabbit Diesel scored the best fuel economy rating of any car in Canada\*. No. 1 in reliability—diesel engines are known for their durability and longevity.

And because it's a Volkswagen, it's No. 1 with all the superb technology that makes Rabbit so popular. The Weltmeister—value is standard equipment.

\*Based on Transport Canada Fuel Consumption Guides.

## **Rabbit L Diesel** (2-or 4-door)

- 1.6 L diesel engine, standard 3 + E or optional 4 + E manual transmission
- optional 1.6 L turbo-diesel engine, standard 4 + E manual transmission

# Fuel injected performance.

## Rabbit L, Rabbit GL.

The fuel injected Rabbit L incorporates all the technological achievement Rabbit is known for. There's room to comfortably seat four adults. Fold the rear seat forward and the Rabbit L has 662 litres of cargo space. And because it's a Volkswagen, it's economical, efficient and fun to drive.

The Rabbit GL lends a touch of class to the classic Rabbit. The GL has 4 doors, wide wheels and tires, halogen headlights, wide body side moulding and bumper guards. Inside, there's cut pile carpeting, patterned velour upholstery and remote controls for the outside mirrors.

### **Rabbit L** (2- or 4-door)

- 1.7 L fuel injection engine, standard 4 + E manual transmission or optional 3-speed automatic transmission

### **Rabbit GL** (4-door)

- 1.7 L fuel injection engine, standard 4 + E manual transmission or optional 3-speed automatic transmission

# Rabbit GTI—affordable performance.

It bristles with excitement. It exudes sports car spirit. It delivers pure performance.

Under the hood there's a 1.8 L fuel injected performance engine rated at 90 hp. Ventilated front disc brakes, a close ratio manual sport transmission, tuned exhaust and sport suspension add to the thrill of true GTI performance. Pirelli P6 tires mounted on light alloy wheels create the road holding to temper the tightest curves. Special exterior features include a pliable front air dam, blackout trim and pinstriping. Inside there's full instrumentation and specially contoured sport bucket seats.

## **Rabbit GTI**

- 1.8 litre fuel injection performance engine, standard close ratio 5-speed manual sport transmission

# Rabbit Convertible— the thrill of the open road.

It's one of the classiest cars on the road today, and because it's a convertible, it's also one of the most unique and exciting cars to drive.

The convertible top is insulated against noise and cold by five layers. The rear window is solid glass and has an electric defroster. A roll bar is integrated with the unitized body.

The Convertible has a 1.8 L performance engine, a close ratio manual sport transmission and sport suspension. Inside there's leatherette upholstery or optional cloth sport seats. An AM/FM stereo cassette sound system is standard equipment.

## **Rabbit Convertible**

- 1.8 litre fuel injection performance engine, standard close ratio 5-speed manual sport transmission or optional 3-speed automatic transmission

# Jetta—spirit, space and style.

There are two ways to own a superbly engineered German sedan: you can spend a lot of money, or you can buy a Volkswagen Jetta.

The fuel injected Jetta sparkles with performance and efficiency. If you're concerned about spiraling fuel costs, consider the Jetta Diesel for an extra measure of Volkswagen's renowned efficiency. The good news is that Jetta's diesel engine is available AT NO EXTRA COST!

Like every Volkswagen car, Jetta has front-wheel drive, rack and pinion steering, fully independent suspension and power-assisted front disc brakes. Jetta gives you performance, efficiency, space and style. And because it's a Volkswagen, you also get the lasting luxury of high value.

## **Jetta** (2- or 4-door)

- 1.7 litre fuel injection engine or 1.6 litre diesel engine at no extra cost, standard 4 + E manual transmission or optional 3-speed automatic transmission (E-mode automatic with diesel)

# Jetta GL—the Volkswagen luxury sedan

The 4-door Jetta GL is a sophisticated sedan equipped with special functional luxuries.

A 4-cylinder fuel injected engine and a 4 + E manual transmission give Jetta GL dynamic performance. There's an optional turbocharged diesel engine available on Jetta GL for a surprising blend of fuel injected performance and diesel efficiency. Volkswagen value makes the Jetta GL Turbo Diesel the most affordable turbocharged diesel sedan in Canada. Touring luxuries on Jetta GL include rich velour upholstery, a 4-spoke sport steering wheel, remote controlled outside mirrors, complete instrumentation and an AM/FM stereo cassette sound system.

## **Jetta GL** (4-door)

- 1.7 litre fuel injection engine, standard 4 + E manual transmission or optional 3-speed automatic transmission
- optional 1.6 litre turbo-diesel engine, standard 4 + E manual transmission or optional E-Mode automatic transmission

# Scirocco— from the wind tunnel to the road.

The shape is as impressive as its performance. A sleek style that delivers excellent stability, minimal wind noise and low fuel consumption. Scirocco is powered by a 1.8 litre fuel injected performance engine matched to a 5-speed close ratio manual sport transmission. The power-assisted front disc brakes are ventilated to dissipate heat. Inside, there's true sports car treatment. High bolstered bucket seats can be ordered with optional genuine leather seat surfaces. The sport steering wheel, shift boot and shift knob are also trimmed with leather. The rear seats fold forward in two sections, so there's room for passengers and cargo together. Scirocco comes with a 4-speaker AM/FM stereo cassette sound system.

## Scirocco

- 1.8 litre fuel injection performance engine, standard 5-speed close ratio manual sport transmission

# **Vanagon. The comfort of a car, the convenience of a van.**

Rack and pinion steering and fully independent suspension let you handle Vanagon as you would a sedan. A 1.9 litre fuel injection engine with a 4-speed manual transmission gives Vanagon the performance needed for highway cruising and around town manoeuvring. Vanagon seats seven adults in luxurious style. For extra cargo space, you can remove the middle seats.

Vanagon GL offers some special luxuries such as velour upholstery and trim, open headrests and adjustable armrests on all seats, and a Premium AM/FM stereo cassette Sound System.

## **Vanagon, Vanagon GL**

- 1.9 L fuel injection engine, standard 4-speed manual transmission or optional 3-speed automatic transmission

# Vanagon Camper— your home away from home.

The Vanagon Camper is the ideal way to stretch your vacation budget. Eat, sleep and travel where and when you want. There's a stove, refrigerator and kitchen sink. The stove and refrigerator can operate on internal or external power supplies. The Camper's unique pop-top and two double beds make it a comfortable place to spend the night. When it's time for meals or time to relax, the front seats swivel and there's special fold-away tables. Vanagon Camper's ingenious interior design means there's plenty of storage space for your travel needs. Everything can be neatly stowed, yet it's all easily accessible when you need it.

## **Vanagon Camper**

- 1.9 L fuel injection engine, standard 4-speed manual transmission or optional 3-speed automatic transmission
